The 2012 LEGACY 2P-LE and 4P-XLE models carry 2 to 6 passengers. The 2P-LE base model seats 2 passengers, and is great for a round of golf at the club. Add a rear facing seat kit to carry 2 more people or cargo with the convenience of the folding seat design. The longer wheel base of the 4P-XLE can be configured to carry up to 6 passengers.

Both 2012 LEGACY 2P-LE and 4P-XLE models are 100% electric. Choose from five standard body colors or five sizzling upgraded colors. Our mechanical rear disc brakes provide fast reliable braking. Fill the batteries in seconds with our single point watering system (wet batteries only). Charge your vehicle anywhere with our optional on board high frequency battery charger. Enjoy the feel of our tight, sporty suspension with our unique front gas shocks as well as our made in America quality.

Personalize your car with an upgraded tire and wheel package, fabric seats with embroidered logo, carbon fiber or burl wood trim packages add a sporty or elegant flare to your ride. If you have longer daily commutes, add an extended range battery system or select maintenance free batteries. Upgrade to our AC motor gives you more power, extended range and less maintenance. Over 50 mile range when paired with our longest range AGM maintenance free battery pack.

The 2012 LEGACY 2P-LE and 4P-XLE are designed with style and elegance at an affordable price.
